KENTUCKY RIVER IMPROVEMENTS.

Col. Wm. H. Murray has sent to us the following letter, which is a very important document to all of those who see the inestimable value the completion of the improvements on the Kentucky river. It shows clearly that it will be necessary for all of us to go to work and bring to bear every influence to obtain the assistance of the Senators and Representatives in Congress in the passage of a law increasing the appropriation for the great work.

We commend the letter to every body's careful study and co-operation:

Washington, D. C., May 17, 1901.
Mr. Wm. H. Murray, Secretary Executive Committee, Improvement of Kentucky River, 1081 East Washington Street, Louisville, Ky:

Sir—Your letter of the 9th instant, addressed to the Secretary of War and relating to the completion of the Kentucky River improvement, has been referred to this office.

The appropriations authorized by the river and harbor act of June 8, 1896, will not be sufficient to complete the improvement.

There is now on hand a balance of about \$450,000.00, and there remains to be appropriated in sundry civil acts under the authority of June 8, 1896, \$400,000.00. Work under the existing balance and under the \$490,000.00 yet to be appropriated will be pushed forward as rapidly as conditions permit. A contract is just being made for the construction of lock No. 9, and preliminary work in connection with locks Nos. 10, 11, 12, 13, and 14 is under way.

It is reported, however, by the officer in local charge in his annual report for last year, that the limit of authorized appropriations will be reached before the last four locks are well under way. Estimates of the amount required to fully complete this improvement were given in the last annual report of the Chief of Engineers and will be again placed before Congress at its next session.

To permit of the completion of this work under continuing contract will require additional legislation by Congress authorizing the Secretary of War to enter into contract for the additional work required.

By direction of the Chief of Engineers,
Very respectfully your obedient servant,

A. MACKENZIE,
Colonel Corps of Engineers.

NEW RE-UNION MUSIC.

A new piece of re-union music has been published by O. K. Hume & Co., of Memphis, and Little Rock. For originality and brilliancy it can not be excelled. It is called the "U. C. V. March," a two-step, composed by Theo. H. Northrup, and dedicated to the United Confederate Veterans. From a musical as well as an artistic viewpoint this production, issued especially for the coming re-union, is a masterpiece, and one that will live in the memory of those that will live who hear it from scores of bands and orchestras here during the great gathering. The contrast of the brilliant catchy first part, with the sweet sadness of the memories of the great tragedy recalled by

the conclusion is where the composer has shown his art.

The cover is a beautiful thing, wrought in the old Confederate colors. The top of the sheet is adorned with a Confederate standard, with the letters "U. C. V." in blue. Below this are the portraits of Gen. Robert E. Lee and Nathan Bedford Forrest. To the right of this is a fac-simile of the Confederate emblem—the famous re-union button. Two sheathed swords and a bunch of olive are emblematic of the eternal peace of the old North and South, sections that no longer exist, and this effect is heightened by a furled flag, a shattered drum and a dismounted field gun at the base of the two portraits. It is a work of art and a credit to the designer. — Evening Semitar (Memphis,) May 18.

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him. South & Longmoor, W. McKee Hardie.

BRYANT'S STATION.

We have had a glorious rain, which has been long needed.

Misses Nannie Bryant and Katie Sudduth, and Messrs. W. W. and V. B. Pulliam and Selbert Moore were guests of Miss Mittie Mitchell last Sunday.

Died—At her home on Benson, Saturday, May 1, Mrs. Ruth Moore, wife of Mr. Stoddard J. Moore. She leaves a heartbroken husband and three little children to mourn the greatest loss they can ever know. In early life she united with the Baptist Church at North Benson, and has ever lived consistent to the faith she confessed in her Lord and Master. The writer has known her from infancy, and only knew to love her dearly and tenderly. May the soul rest lightly on the sweet form it encloses. To the sorely bereaved husband and loving friends we extend our deepest sympathy, commending them to look upward to the sun, that is never to set, in this, their dark hour of sorrow and distress, ever remembering that He woundeth but His hands maketh whole. Ruth is not dead but sleepeth, calmly resting from those early hours of pain and affliction, awaiting a happy re-union in that home where parting will be no more. The angels are singing the sweet anthem on high. She is waiting to greet you in triumph of joy in a home where no more will be heard a good-bye. She was buried at Benson Sunday evening.

Born—To Mr. James Whitman and wife, May 4th, a six pound baby girl.

We heartily welcome Mr. High Top to our circle, hoping he will write a longer letter next time. We only got interested when the letter ended all of a sudden.

We were very much shocked, on last Sunday, to hear of the serious illness of Mr. J. H. Sudduth, watchman at the Sings distillery. We did not learn what the trouble was, only he had not been able to speak since Friday night, and his wife was called home from the bedside of her dying sister Saturday morning.

Mrs. Lula Phillips is very low with consumption. How sad, indeed, to see those just in the bloom of life crushed and withering.

Mr. Geo. L. Mitchell went to Woodford county Saturday to spend several days with his son, Mr. Terrell Mitchell. We are all expecting a nice mess of fish when he comes home. Hope he won't disappoint us.

Bro. Rummons attended the funeral of Mrs. Ruth Moore, at Benson, Sunday evening.

NEWHOUSE—In this city, on Wednesday, about 12:30 o'clock p. m., Mr. Morris Newhouse, aged about 75 years.

Mr. Newhouse had been a resident of this city for about 40 years, having come here from Germany. He served for a number of years as clerk in the clothing house of the late Mr. B. Jacoby. While so employed he married Miss ——— Partee, sister of Mr. Eliza L. Partee, of Woodford county, by whom he had three daughters and one son, who survive to mourn an indulgent and loving husband and father.

He was a member of the German Benevolent Association, and his funeral, which took place on Thursday (services being conducted by Rev. M. B. Adams, of the Baptist Church), was attended by that organization in a body.

Mr. Newhouse was an honorable and upright citizen.

Sincere sympathy is extended to the bereft family.

HYDE—In Ironton, Ohio, on Friday, Mr. Humphrey J. Hyde, aged about 70 years.

Mr. Hyde was born in Ireland, but came to this country when a child, locating at Danville, Ky. Upon the breaking out of the civil war he enlisted in Gen. Speed S. Fry's regiment in the Federal

army, and served until the close of the war.

After his discharge from the army, he removed with his wife (a Miss Taylor, of Danville), to this city, and remained here until the infirmities of age compelled him (after the death of his wife,) to go to the Soldiers Home, in Dayton, Ohio.

Mr. Hyde was a member of the Episcopal Church.

The remains were taken to Danville by his brother-in-law, Rev. W. H. Hampton, on Saturday, where they were interred by the side of his wife in the cemetery at that place.

OLD SOLDIER'S EXPERIENCE

GRATITUDE OF THE RATTLER.

"I've heard a good many snake stories since I've been up in these parts," said Col. S. Houston Tutt, of Corsicana, Tex., who is in New York representing oil interests, "and I've seen a lot printed, but never a one have I struck that equaled in simple and touching beauty the thing that happened to my brother, Jim, down on our farm in Texas. This is the way it happened:

"You see Jim was about the kindest hearted chap that ever lived. One day he was going along out on the farm when he seen a six-foot rattlesnake pinned down on the ground by a big boulder that had fallen on its tail. Now of course ninety-nine men out of a hundred would have got a club or a handful of rocks and killed the poor critter right there. But that wasn't Jim. No, sir! Jim gets out his handkerchief and wipes his eyes and then rolls that boulder off'n that snake's tail just as gently as he knew how.

"Well, sir, that settled it. "Talk of gratitude! You ought to see the gratitude of that rattler. He couldn't make enough of Jim. Followed him from one end of the farm to the other just like a dog. Used to coil up under Jim's chair at meals and eat out of his hands. Every night when Jim went to bed the snake crawled up on the foot of the bed and slept there till morning. You bet they wasn't anybody going to disturb Jim.

"One night Jim woke up feeling kind of queer. He reached down at the foot of the bed. No snake. Up he hopped and struck a match. No snake. Not on the bed, nowhere in the room. Well, sir, that minute Jim knew something was wrong. He slipped into his trousers, took his gun and went down stairs. What do you suppose he saw when he got down in the dining-room? Window wide open. Snake coiled around a burglar on the floor and his tail out of the window rattling for the police."

It's a Serious Thing

For a woman to come to that period known as change of life. It is almost always a period of suffering, and the derangement of mind and body is sometimes so great that the family life is utterly marred by the unhappy wife and mother. At such a time every woman needs just the help that is given by Dr. Pierce's Favorite Prescription. It works with Nature, soothes the nerves by nourishing them, and cures diseases of the delicate organs. In brief, it makes weak women strong; sick women well.

"Favorite Prescription" contains no alcohol, neither opium, cocaine, nor any other narcotic.

"I have taken four bottles of 'Favorite Prescription' for female weakness and change of life," writes Mrs. Lizzie A. Bowman, of New Matamoras, Washington Co., Ohio. "Before I began taking it I could not do anything. I had such pains in my head and in the back of my neck that I thought I would lose my mind. Now I can work every day and do not suffer. I recommend 'Favorite Prescription' to all women suffering in the period of change of life. It is the best medicine I have ever found."

Every woman should send for a free copy of Dr. Pierce's Medical Adviser. Send 21 one-cent stamps to pay expense of mailing only for the book in paper covers, or 31 stamps for cloth, to Dr. R. V. Pierce, Buffalo, N. Y.

MEETING CLOSED.

The protracted meeting which has been in progress at the Christian Church in this city, for some two weeks, closed on Monday night.

The attendance has been good, and the interest was well sustained throughout. The preaching of Rev. Lloyd Darsie, of Paris, brother of the pastor, has been plain, practical and searching, and has accomplished large things in the upbuilding of the membership and in the ingathering of souls.

There have been 88 additions to the membership, much the larger part being upon profession of faith and baptism.

In leaving for his home Mr. Darsie carries with him the best wishes and prayers of all those who were fortunate enough to have the privilege of listening to his sermons.

Sound advice to those who have kidney and bladder troubles, is to take a safe, sure medicine like Foley's Kidney Cure. It always benefits the kidneys. South & Longmoor and W. McKee Hardie.

FORMER FRANKFORT LADY HURT.

The sad news came to this city on Tuesday that Mrs. Hannah Hord Hardin (widow of the late Capt. David C. Hardin, and daughter of Judge Lysander Hord), had been run over by a cab in St. Louis, Mo., and dangerously if not fatally hurt.

Mrs. Hardin was born, raised and married in this city. She was a popular lady, and recently removed to St. Louis to live. It is earnestly hoped that she may recover.

GOOD APPOINTMENT.

Ex-Congressman Geo. M. Davison, of Stanford, has been appointed Assistant U. S. District Attorney for the Eastern District of Kentucky.

Mr. Davison is a gentleman in every sense of the word; a self-made man; and a lawyer of ability. We have known him for many years, and were closely associated with him when he was in the revenue service under Col. Swope.

Does the Baby Thrive

If not, something must be wrong with its food. If the mother's milk doesn't nourish it, she needs SCOTT'S EMULSION. It supplies the elements of fat required for the baby. If baby is not nourished by its artificial food, then it requires

Scott's Emulsion

Half a teaspoonful three or four times a day in its bottle will have the desired effect. It seems to have a magical effect upon babies and children. A fifty-cent bottle will prove the truth of our statements.

Should be taken in summer as well as winter.

SCOTT & BOWNE, Chemists, New York.

CONGRESSMAN DIES.

Congressman Chas. A. Boutelle, of Maine, died in an asylum Tuesday last. Mr. Boutelle was a man of great ability, and had literally wrecked his physical man by overwork in Congress. His people, recognizing his worth, re-elected him last fall, notwithstanding his illness, in the hope that he would ultimately recover.

SPECIAL TRAIN.

The L. & N. will run a special train from Louisville to Memphis, Tenn., on Monday next (May 27), for the purpose of carrying all those who may wish to attend the Confederate Reunion at the latter city. The train will leave Louisville at 8:30 a. m., and will reach Memphis at 7 p. m. of the same day. There will be free chair cars for use on the train. Reduced rates, etc. All old Confederates and others wishing to attend should bear this in mind.

BUYS A FARM.

Mr. John M. Banta, of this city, has purchased a farm of about 60 acres, lying on the Georgetown turnpike, two miles from Lexington, and will remove with his family to that place in the near future, to make it his home.

He bought the place of Mr. Brand, and the price was reasonable enough considering location and advantages. We regret to lose this family from our city.

CURED A RUNNING SORE.

"I had a bad running sore on my breast for over a year," says Henry R. Richards, of Wilkesville, N. Y., "and tried a great many remedies, but got no relief until I used Banner Salve. I can not recommend it too highly, and will never be without it in the house."

AGAIN PROMOTED.

We are rejoiced at the fine record our friend, Col. C. E. Hathaway, has made as manager of the Belt Electric Line and Works at Lexington, and we are especially gratified to see that the consolidated companies, operating in a number of cities, have made him the General Manager, at a very comfortable salary. We cordially congratulate him, and wish him a long and prosperous career as such.

EARLY CLOSING.

The movement for closing the stores at 7 o'clock, has again been put on foot. It is just and right that all the stores should make this agreement, so that the tired clerks, male and female, may have a few hours every evening, during the heated term, in which to obtain a supply of fresh air.

We regret to learn that there are a few merchants who are opposed to early closing. We hope they will change their minds and join the procession. The early closing only lasts during June, July and August.

BURGLARS.

On Saturday morning, at about 2 o'clock, a burglar broke into the

residence of Mr. R. K. McClure, corner of Washington and Broadway, but was frightened off by Mr. McClure, without obtaining any plunder.

On Saturday night another burglar went into the residence of Mr. H. Clay Wilson, on Wilkinson street, and succeeded in getting away with \$75 in money, overlooking quite a valuable lot of diamonds.

TO DELIVER COMMENCEMENT SERMON.

Rev. M. B. Adams, the eloquent young pastor of the First Baptist Church, of this city, will go to Clarksburg, W. Va., next week, where he has been invited to deliver the annual commencement sermon at Broadus College, his alma mater, on Sunday, June 2d.

We doubt not the address will be a finished and brilliant effort.

OFFICE BUILDING.

The Farmers Bank is having a granite walk put down leading to an entrance of the bank building, from Main street, to be used by those who will have offices in that building, which has been rearranged to make it ready for occupants.

A GENTLE HINT

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. SHUDDERS AT HIS PAST.

"I recall now with horror," says Mail Carrier Burnett Mann, of Levanua, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man." They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by J. W. Gayle. 50c only.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or water-brash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. South & Longmoor and W. McKee Hardie.

TO CONNECTING LINES.

This is to advise that commencing Monday, February 25, 1901, this company will honor C. P. A. mileage locally over its line, thus abrogating all instructions issued in October last relative to the discontinuance of the use of this mileage locally over the line, such instructions permitting its use only between St. Louis and Evansville and Louisville.

We have pleasure in further stating that all outstanding C. P. A. mileage tickets will also be honored over our line locally, whether they contain clause to this effect or not.

This is for your information and any instructions you may deem necessary to issue in the matter.

Yours truly,
L. I. IRWIN,
General Passenger Agent.

"I have been suffering from dyspepsia for the past twenty years, and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol's Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark. South & Longmoor, W. McKee Hardie.

Biliousness is a condition characterized by a disturbance of the digestive organs. The stomach is debilitated, the liver torpid, the bowels constipated. There is a loathing of food, pains in the bowels, dizziness, coated tongue and vomiting, first of the undigested or partly digested food and then of bile. Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. Try them and you are certain to be pleased with the result. For sale by J. W. Gayle and South & Longmoor.

FOGUSVILLE.

Delicious and fragrant are the May flowers. The violets, both white and blue, form the favorite "I will ever prove true."

A pleasant shower visited our place on Sunday, and made the farmers of this section quite happy. Now they may finish planting their corn.

We hear a great deal of complaint among tobacco growers about their tobacco plants all being gone. This is quite sad news to those who are depending on tobacco alone for a living. I believe that Kentuckians will fall on some other way of making a living besides raising tobacco.

The prospects for wheat here in this section is better by far than we have seen in seven years. If nothing should befall the crop we will have a big yield this year.

Sheep shearing is all over, and the wool, both white and brown, has all been shipped to Mr. Brown. He has a smiling countenance for a time.

Most of the young people in and near this place went to Rocky Branch to see the spirit of ignorance demonstrated among the so-called salvationist and be fed from the delicacies of that good people.

Mining for lead is booming our little town. Considerable lead, pewter, zinc, gold and silver, and plenty of rock (stone) will surely bring some capitalist this way after all.

H. H. Bramble, of Manleyville, has leased his farm, we understand, to a rich company, and who contemplate operating these mines in the next sixty days.

G. W. Bailey says he has found some fine croppings of lead in the hillsides of his farm. I hope so.

I think we will soon hear of a wedding. We will report. The young people are beginning to enjoy a pleasant evening drive.

The young man who was driving the bay horse must not talk so loud, especially when he is about to tell his best girl a joke.

Uncle Harvey Wiley and wife went to Monterey Sunday, but ran against the line of quarantine and so came back.

The wife of Elder G. W. Foley, who has been so low for the past five months with dropsy is no better. Not much hopes of recovery.

Born-To Mr. Jas. F. Bailey and wife, a fine girl-Mattie C.

We learn this morning of the death of one of the old citizens of this community. Mr. Richard Perry, who resided on Sulphur Lick. He was buried at the old Perry graveyard. Leaves a wife and one child to mourn his loss. Only sick twenty-four hours.

CURIOS FROM THE PHILIPPINES.

Capt. Jacob Swigert received, a few days since, a lot of curiosities in the way of bed spreads, table covers, etc., which were manufactured by the Philipinos. They were sent by his brother, Lieutenant-Colonel Sam M. Swigert, 18th U. S. Cavalry, now stationed in those far away islands. They will well repay an inspection by the curious, as they show what can be accomplished even with the crude implements in use there.

HOW IT IS DONE.

The first object in life with the American people is to "get rich," the second, how to retain good health. The first can be obtained by energy, honesty and saving; the second (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Appendicitis, Indigestion, etc., such as Sick headache, Palpitation of the Heart, Sour Stomach, Habitual Constipation, Dizziness of the Head, Nervous Prostration, Low Spirits, etc., you need not suffer another day. Two doses of the well known August Flower will relieve you at once. Go to John W. R. Williams & Co., Frankfort, Ky., and get a sample bottle free. Regular size, 75c. Get Green's Prize Almanac. 81-1y.

Misses Jeffers have rented the Mansion House property, on Main street, and will move their boarding house about the same date.

WILL YOU LOVE ME WHEN I'M OLD?

SHE.

"Will you love me when I'm old, When the bloom hath left my cheek, When the days of youth are told, And my form is bent and weak? When the winter's sifted snow Mingles with my locks of gold, Will you come and whisper low: 'Dear, I love you as old.'"

"Will you love me, tell me true, When the wrinkles mark my brow When the eye hath lost its hue— Will you love me then as now? Will you warm a shrunken breast, Touch a lip that's dry and cold; Will you love be then a jest— Will you love me when I'm old?"

HE.

"Such love as mine looks not with eyes That view the beauty of the rose, But on the hidden soul that lies Beyond the ken of outward shows. Forever young and beautiful, God breathes in his living breath, And as His Law Imutable, It know no time nor place nor death."

ELECTED ELECTION COMMISSIONER.

The Republican State Central Committee met in Louisville on Wednesday last, and, as required by the new election law, selected Judge James E. Wright, of Newport, as the Republican member of the State Board of Election Commissioners.

The Democratic Committee had already selected Mr. C. B. Poyntz, of Maysville, as their representative on the Board.

BLUES

Ever have them? Then we can't tell you anything about them. You know how dark everything looks and how you are about ready to give up. Somehow, you can't throw off the terrible depression.

Are things really so blue? Isn't it your nerves, after all? That's where the trouble is. Your nerves are being poisoned from the impurities in your blood.

Ayer's Sarsaparilla

purifies the blood and gives power and stability to the nerves. It makes health and strength, activity and cheerfulness.

This is what "Ayer's" will do for you. It's the oldest Sarsaparilla in the land, the kind that was old before other Sarsaparillas were known.

This also accounts for the saying, "One bottle of Ayer's is worth three bottles of the ordinary kind."

\$1.00 a bottle. All druggists.

PEA RIDGE.

Mr. John Stoops, of Pittsburgh, Kansas, is the guest of his brother, Mr. Frank Stoops. He says Kentucky is a very pretty country, but he likes Kansas the best. It is ever thus, wherever you roam, "there is no place like home."

The late rain has helped our farmers very much.

Mr. Ben Tracey has been hauling logs to the saw-mill for his neighbor, Mr. John Edge, and also for Mr. Newell Pierce.

Several people have taken advantage of the saw-mill being in the neighborhood to have some logs turned into lumber.

Mr. John Stoops is quite a pleasant addition to our neighborhood, handsome, educated and a bachelor. Now, girls, both his brothers have Kentucky brides, why should not he.

Rev. R. L. McCready and Rev. F. B. Wentworth were out last week visiting their church members who live in and near this district.

Miss Edith and her brother, John Edge, jr., were two of the many who were confirmed by the Bishop of Lexington on his last visit to Ascension Church, in Frankfort.

There is Sunday-school at Choateville every Sunday at 8 o'clock.

There is preaching every second Sunday morning at 11 o'clock, also at 7 o'clock in the evening, and also on Saturday night previous, Rev. T. Lennox pastor.

Mr. Geo. Herndon, of Fairview, has bought the Mary Sargent farm, and is improving it greatly.

Mrs. Marshall Nichols and family have moved to their old home near here.

Mr. Herndon is a hustling, energetic, young fellow, very nice looking and a bachelor. We wonder if he is tired of his single blessedness, and that is why he is fixing up his pretty new home farm so nice and tastily?

Prospects of plenty of fruit this year, for which we are truly thankful.

Mr. Charles Pierce, Mrs. F. Stoops, also Misses Winfred and Edith Edge, went to look at the flowers in Mr. Power's greenhouse last week.

Sound advice to those who have kidney and bladder troubles, is to take a safe, sure medicine like Foley's Kidney Cure. It always benefits the kidneys, South & Longmoor and W. McKee Hardie.

SPECIAL.

Rev. Young J. Allen, who has been in China as a Missionary for about 30 years, and who has exercised an influence second to none in the Empire, will preach at the Methodist Church Sunday morning. This is a rare opportunity to hear one so thoroughly conversant with the recent movements and great problems of China. Dr. Allen was the central figure in the great missionary conference recently held in New Orleans. He will also contribute greatly to the interest of the meetings. Monday evening's sessions will be especially interesting, being devoted to reports from the great missionary conference at New Orleans, the speakers of the evening being Miss Belle Bennett, Mrs. Forsythe and Mrs. Crann.

BUYS A BUSINESS.

Mr. Luther F. Violet has purchased the confectionery and restaurant of Mrs. Mary C. Todd, and is having it papered, painted, etc., and will in a few days have a new stock of goods. He will keep a first-class restaurant. Give him a call. He is a clever and hustling young man.

"A GREAT SHOW."

Is What the Birmingham News Called Sells and Gray's Attraction.

In a column complimentary notice given to Sells and Gray's United Shows by the Birmingham Daily News of April 22, it was said that "a succession of delighted crowds attested the excellence of the aggregation. Never was an immense audience handled with more ease. The big tents were packed with people. The character of the street parade far exceeded the expectations of everyone. There were novel features that caught the crowd and everything about the parade was strictly up to date, new and attractive. It was the cleanest and most wholesome parade ever seen in Birmingham."

"The performance was preceded by a band concert of one hour's duration. This concert was a feature and a treat for music lovers. The ring performance is first class in every way. The acrobatic feats of the Eddy family were the hit of the show, though the Earl sisters were immediate favorites and the Tybels were vigorously applauded for their unique and interesting act. Of course, a tent show would not be complete without its clowns."

"There are a dozen or more with Sells & Gay, and they manage to keep the audience in a roar of jollity from the opening tournament to the hippodrome races."

The date of Sells & Gray's performances in Frankfort is Saturday, June 1. No better show will be here this season.

COLORS NORMAL.

The closing exercises of the State Normal School for colored persons begins Sunday, June 2, with baccalaureate sermon and closes Wednesday, June 5, with graduating exercises and speaking. LEFT US.

Col. Geo. H. Stehlin, our neighbor, has been engaged in moving his big stock of goods all this week to his new house, in the Buckley building, on St. Clair street. The Colonel found that he had a great big job on his hands before he got through. Besides, he had several car loads of new goods at the depots, which he was obliged to unload and arrange. He now has a big stock and a big place to show it in. Go and see him.

A Cup of Good Coffee

Arbuckles' Roasted Coffee

To get a really good cup of coffee you'll have to start back of the actual making; you'll have to look to the roasting and the grinding. In ARBUCKLES' you have a coffee that's scientifically roasted, and delivered to you with all the pores of the berry hermetically sealed. You're sure of a good cup of coffee because all the coffee flavor and aroma are kept intact until you want it. The fame of ARBUCKLES' induced other coffee packers to put out imitations of it. These imitations cost the grocer (and you) a cent a pound less than ARBUCKLES'. But don't be tempted to buy a package of some other coffee when you can get

for it is actually less expensive than the cheap kind; goes further—besides being better flavored, more satisfying.

You will find a list of useful articles in each package of Arbuckles' Coffee. A definite part of one of these articles becomes yours when you buy the coffee. The one you select from the list will be sent you on condition that you send to our Notion Department a certain number of signatures cut from the wrapper.

"RACE WAR."

This is the title of one of the outest and most realistic pieces of amateur photography that we have ever seen. It is the handiwork of Mr. T. L. Edelev, and gives evidence of very considerable skill in this popular line of work. It represents a scene from actual life which could not be excelled. The look of almost tigerish eagerness with which "Little Democrat" is viewing his colored opponent is beyond compare.

The picture is on exhibition in the show window of Mr. Gny Barrett.

A VERY REMARKABLE REMEDY.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore, and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever.'" Sold by J. W. Gayle and South & Longmoor.

PICNIC POSTPONED

UNABLE TO WORK.

Chas. Replogle, of Atwater, O., was unable to work on account of kidney trouble. After using Foley's Kidney Cure four days he was cured. South & Longmoor and W. McKee Hardie.

A PATHETIC PICTURE OF THE ABANDONED FARM.

There is a deep pathos in the picture by W. L. Taylor, called "The Passing of the Farm," which appears in the June issue of The Ladies' Home Journal. The bowed and sad-faced figure of the lonely widow, standing with one hand on the open door of the waiting coach while she takes a long look at her old home, makes a strong appeal to the feelings. The sad November sky, the distant misty hills, the closed house, the deserted barns, and above all, the dejected figure, bring a lump into one's throat.

IT SAVED HIS LEG.

P. A. Danforth, of LaGrange, Ga., suffered for six months with a frightful running sore on his leg, but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by J. W. Gayle.

BAKED FOR PRISONERS.

Editor of the Lexington Herald:

Ten days ago the conditions at the Frankfort jail and the grave financial need of Kentucky's prisoners of State was the subject of discussion at a Fayette county dinner table. The maid servant repeated the conversation in the bands' kitchen at supper that night. An old negro woman, who had for years been cook on the place, but was now in her old age, living in Lexington, chanced to be of the company for she had "come out home" for a visit. She listened with grieved interest.

"I wish I had some money," she said, "both of those gentlemen has as much right as any man in Kentucky to be outdoors this here Maytime. It ain't fitten fuh them to be pestered bont money fuh thar trials. They never doed nothin', and the ones that put 'em thar knows it. O, I wish I had some money."

For the rest of the evening she was very quiet. Next morning she came to her "Ole Miss" with a business proposition. She wanted, she said, to keep a lunch table when Buffalo Bill showed in town and would "Ole Miss" trust her with material for her lunches, and she would pay her out of the profits. Of course, the help was gladly furnished, and the night before the seventh of May, Aunt Martha, in her cabin in town, was up all night baking sugar cakes and "crabblers" and daylight found her slicing the ham for her sandwiches.

In a few days she reported to "Ole Miss," her face gray with disappointment. She carefully untied a knotted handkerchief and poured on the kitchen table a pathetic little board of coppers and nickles and dimes.

"Thar's what I cleared," she said, "I 'lowed it was goin' to be more. I sho'ly kin cook; you know that, 'Ole Miss,' an' I was sellin' my things off fast rate when the rain come, but it spiled a heap of my cookin'. I had a cotton spread over 'em, but it rained so hard, that when I lifted it up, every thing was about gone. The cakes was melin' into the pies, and the pies into sliced bread. I sho'ly am sorry. I thought 'Id sho' make five dollars, an' maybe ten. But here 'tis, 'Ole Miss.' It ain't but two dollars. One uv 'em's fuh Mist' Jim Howard and one fuh Mist' Caleb Powers. Please tell 'em I done the best I could fuh 'em."

This woman, who, in her poverty cares for two little grandchildren, and who, in her widowhood and old age, gave so freely of her toil, and without reserve of her earnings, reminds one of that other woman whom Jesus saw casting into the treasury two mites, when he said: "Of a truth I say unto you that this poor widow hath cast in more than they all; for she of her penury hath cast in all the living that she had."

And one wonders if there will not be some among us utterly put to shame, when the light from the face of this same Jesus shall shine on the dark face of that old negro woman, and His voice shall say, "Come, thou blessed of my Father; I was in prison and you came unto me."

It may be—God forbid that it shall be—that some of us will ask, "Lord when we saw Thee in prison, or sick, and came not unto Thee?" and hear our Lord's voice answer, "Inasmuch as ye did not it to these, my brethren, ye did it not me."

TWO REMARKABLE WOMEN PHOTOGRAPHERS.

Much interest in women's work in photography has been aroused by the series of picture pages now appearing in The Ladies Home Journal. But no one of them is likely to attract more interest and admiration than the pages in a forthcoming issue which will be devoted to five exquisitely picturesque reproductions of quaint village life by Frances and Marv Allen. These pictures recall with wonderful charm the simplicity and stateliness of bygone days.

Nine chances in ten it's your kidneys that need attention if you don't feel well. Foley's Kidney Cure makes healthy kidneys and will make you well. Nothing else "just as good." South & Longmoor and W. McKee Hardie.

HOW GIRLS PASS THEIR LIVES IN FRANCE.

The famous French author and editor, Madame Blanche, whose queer pen-name is "Th. Bentzon," has written a complete account of "A Girl's Life in France," which will soon be published in the Ladies' Home Journal. She emphasizes early baptism, careful religious and school instruction, implicit obedience, simplicity in dress, and short engagements as among the chief features of the lives of French girls.

WHERE THE UNITED STATES BEGAN.

Some of the marvelous changes wrought by time in the appearance of four of the earliest settlements on our Atlantic coast are strikingly illustrated in a series of views which will shortly appear in the Ladies' Home Journal. The places are St. Augustine, Jamestown, Plymouth and New York. The forlorn indications of Jamestown decay and death as a settlement offer a most interesting contrast to the varied evidences of the gradual development of St. Augustine and Plymouth, and of the gigantic growth of modern New York.
